

# BRADY'S RUN PARK

Route 51 & Brady's Run Road  
Brighton Township, Beaver Falls

Named after Captain Samuel Brady, an officer in the revolutionary army, this is the county's largest park with over 2,000 acres. It features a recreation facility that houses an ice arena, indoor tennis and a walking/jogging track. Outdoor recreational areas include a ball field complex, two horse rinks, 1-mile paved walking loop and miles of walking, biking and horse riding trails, a 22-acre lake to fish year round, picnic tables and a playground. Also a part of the outdoor activity areas is the Action Park, featuring an in-line skating rink, basketball courts, tennis courts and a skate park. There are many events held annually in the park such as the Maple Syrup Festival, Food Truck Festival, Zombie Festival and Trail Run and the Beaver County Christmas Extravaganza. The Lodge, Four Season Pavilion and many picnic shelters are great venues for a special event or a wedding and can be reserved for a rental fee.

# BRUSH CREEK PARK

Route 588  
North Sewickley & Marion Townships, Beaver Falls

Established in the mid-70's, it consists of 600+ acres of gently rolling hills which support a wide variety of natural vegetation and wildlife. Intended to be a passive recreational area, this beautiful park boasts quiet relaxation, nature trails, streams, picnic facilities with permanent barbeques and the county's only pedestrian covered bridge. Enjoy fishing in the small lake, tennis courts, soccer and ball fields, four miles of walking and horse riding trails. If you're a model airplane buff then this park is for you and it's also home to the Beaver County Model Airplane Club.

# OLD ECONOMY PARK

5 Forcey Drive  
Economy Borough, Baden

Old Economy Park encompasses 400+ acres that provide for many recreational opportunities for area residents and visitors. It's also home to the oldest snow shovel riding contest in the world, the Beaver County Snow Shovel Riding Championship held in February, weather permitting. In addition, this park features an outdoor swimming pool, tennis courts, sand volleyball, sled riding slopes, walking trail and a 9-hole disc golf course. Six picnic shelters and The Barn with open field are great venues for a special event or a wedding and can be reserved for a rental fee.

# BUTTERMILK FALLS

Route 18 & First Avenue  
Homewood Borough, Beaver Falls

This all-natural area features a 40-foot scenic sandstone formation and waterfall. Geographically recognized as Homewood Sandstone and used locally in bridge piers, tunnels, roadways, in the construction of the Western Penitentiary in Pittsburgh.

Formed back when glaciers began melting, Buttermilk Falls cascade over massive layers of sandstone creating a crescent rock arc above and a deep plunge pool below. The scenic falls occur on Clarks Run, a tributary of the

Beaver River. Surrounded by a variety of beautiful trees, the park provides a passive recreational opportunity that focuses on the unique natural resources present.

# BRIDGEWATER CROSSING

Mulberry Street Ext.  
Bridgewater, Beaver

Comprising of just under an acre of land along the Ohio Riverfront at the mouth of the Beaver River in Bridgewater Borough. The park features spectacular views of each river, their waterfront communities and bridge crossings for both vehicles and trains. It includes parking, a viewing area and a public dock (no launching facilities).
